

WELCOME TO THE JULY ISSUE OF THE LEADING LINE – Dennis Archibald

In this issue of the Leading Line, we can report that some of our members have performed well in external competitions and have received awards. There are images from our Special Interest Group activities, the latest PSA News, preliminary program for the 2025 NPF Conference and at the end of this issue some items for sale. I hope you enjoy this issue of your newsletter.

Our next club night will be held at the Valentine Bowling Club on Wednesday 9th July at 7.00pm.

Notice of Annual General Meeting (AGM)

Our 2025 AGM will be held at Valentine Bowling Club at our August Club night on Wednesday 13th August. We will circulate an agenda for the meeting soon. As part of the AGM all committee roles will be declared open and nominations requested for the coming year. Please give some thought to the election of committee members for the 2025/2026 year. Is there someone you would like to nominate for a role? Would you like to stand for one of the positions yourself? The club can only continue to function if we have an active and dedicated committee.

New Members

I am very happy to welcome Julie-Ann Palmer and Lindie Kolver to our club and look forward to you both joining in club activities.

2025 External Competitions News

Please let us know if you have had success in competitions external to our normal club competitions.

Congratulations to David Richards who has achieved his FIAP AFIAP Honours grading. To gain this award David required a minimum of 20 different images to achieve 50 acceptances (including 8 Print acceptances), across 12 countries, and 15 different international salons. Well done.

This month we can report that Bill Chambers received the following award for his image "Vice Grip" in The Federation of Camera Clubs "Top Shot Competition" – Nature category. Well done, Bill.

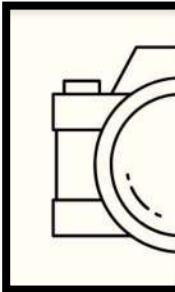

Accolades also go to Shane Wallwork who gained a top 20 placing in the Black and White category in the 2025 Australasia's Top Emerging Photographers competition which is conducted by the Capture magazine. Shane's submission was titled 'Work Life'.

If you checkout the Winter 2025 edition of Capture magazine, you can see 170 of the best entries including Shanes. You can also see the Winners and Runners-Up in each of the nine categories on the [Capture website](#).

Australasia's Top Emerging Photographers will open for entries again in November 2025.

Congratulations to Phil Whiteman who received 11 Acceptances in the ACCLAIR CIRCUIT 2025 | PSA 2025-1899 with two Awards for his "Seaeagle versus Whistling Kite". Well done Phil.

July Club Competitions

Judges for July 2025 are:

- PRINTS - Colour and Nature – Dennis Archibald
- DIGITAL - Colour – Terina Vale
- DIGITAL - Nature – Roy Killen
- DIGITAL – Set Subject – Bill Chambers

July Set Subject – “Choose Your Subject (“Closeup / Macro Image that emphasises DETAILS”)” – Bill Chambers

Definition:

We are surrounded by interesting details; we just have to look for them. Close up photography is perfect in this respect, because we are surrounded by fascinating subjects. Practically every object you see has details that usually go unnoticed, but which make for some stunning photos. Taking close-up photographs is a great way to develop your creativity and an eye for a good shot, as it forces you to find something interesting in even the most mundane of subjects. It will also teach you to look for small details in other types of photography, such as landscapes and portraits, which can help you shoot traditional subjects in an unusual or unique way.

Judging Criteria:

Choose a subject which has an unusual or interesting feature which catches your attention. These details may be in the form of an eye-catching colour, an interesting texture, an unusual shape, or something else entirely. Really examine your subject and decide exactly what it is that interests you about it. This is what you will focus on in your close-up photo; all other details will either be secondary or excluded entirely.

Set Subject Competitions

Do you know where to find the details of each month's set subject? I only ask this as each month we are seeing images entered in the set subject competition that do not comply with the criteria set by the judge. The best place to find these details is on the club website.

Home Key LMCC Contacts Information for Members Calendar Competitions Club Newsletters Galleries

Each month, there is a Set Subject section in the Digital competitions for both Advanced and Open grades.

The Set Subject for 2025 are:

January - Scapes

February - Leading Lines

March - APS Interclub topic - "This is Australia"

April - People on the Street

May - Still Life

June -Symmetry

July - Choose Your Subject (macro)

August - Similarity and Difference

September - Fire

October - A Series of Three - **SPECIAL INSTRUCTIONS**

Definitions and judging criteria for each topic can be viewed or downloaded here.

Edit Custom Page

In addition, please note that the October Set Subject is **different**. You can still submit two entries, but each entry must be a collection of three images. Detailed instructions for assembling your entries are on the club website. From the menu select **Competitions>Set Subject**. On the list of monthly Set Subjects, next to October click on the "SPECIAL

INSTRUCTIONS" link to view or download the instructions. If you have any questions about these instructions, please email Roy Killen.

Club Competition Rules

Please make sure you read the club's competition rules and follow them. One such rule is that you cannot enter the same image in a digital competition and a print competition in the same month. Refer to the section in our rules under the heading "Restriction on entry of images in Monthly Competitions".

Photographic Society of America (PSA) and Interclub Competitions

Our club is a member of PSA, which allows us to participate in the PSA Interclub competitions, where we compete against clubs from all over the world. Full details about how these competitions are conducted are in the Club Documents section of the club website and the latest PSA competition news can be found on the club website at **Competitions/PSA Interclub Competitions**.

In previous years, our club has been very successful in the Digital sections – Colour, Monochrome, Nature, Photojournalism and Photo Travel.

This year, we have expanded our participation to include the Colour and Monochrome Print sections of the Interclub. If your image is selected to represent our club, the club will subsidise the cost.

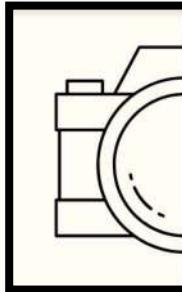

In Round 3 of the PSA Interclub competitions LMCC gained the following results:

Monochrome Small prints - 5th place out of 13 clubs.

Colour Small Prints - 5th place out of 14 clubs.

Digital Colour - 13th place out of 25 clubs in Group B.

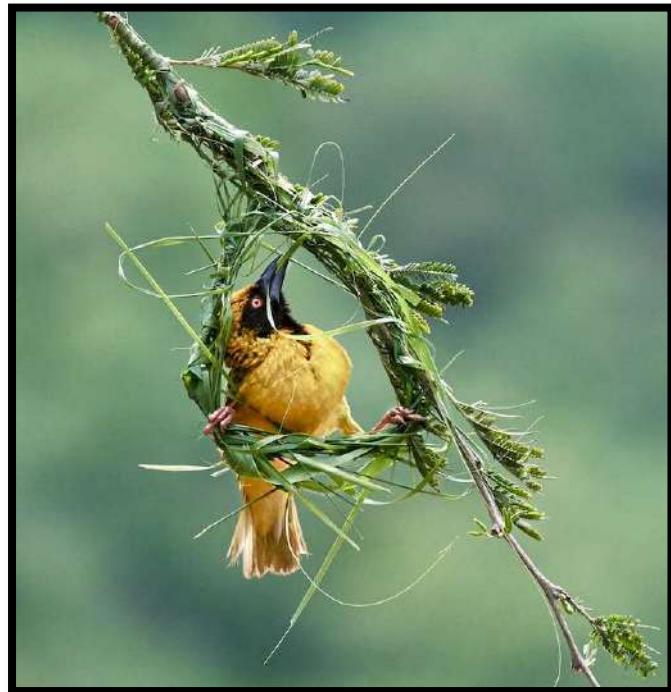

Roy Killen was awarded an Honourable Mention for his image "Cleaver Weaver".

Digital Photojournalism - 6th place out of 22 clubs in Group A.

Digital Photo Travel - 9th place out of 25 clubs in Group A.

FINAL RESULTS FOR THE YEAR

At the end of the third and final round of competitions, our club standings were:

Small Colour Prints - 11th out of 14 clubs.

Small Monochrome Prints - 5th out of 13 clubs.

Digital Colour - 8th out of 25 clubs in Group B.

Digital Monochrome - 13th out of 25 clubs in Group A.

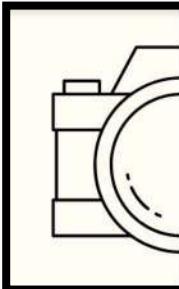

Digital Nature - 12th out of 24 clubs in Group A.

Digital Photojournalism - 6th out of 22 clubs in Group A.

Digital Photo Travel - 4th out of 25 clubs in Group A.

Results for all Rounds, including our club entries that gained awards are on the club website at **Competitions>PSA Interclub Competitions**.

The next step in the PSA Interclub is the **End of Year-Round** in which all images that gained a Merit in Round 1, 2, and 3 will be judged again to determine overall winners for the year. Gold, Silver and Bronze medals, plus 3 HM's are awarded. The results of this judging are now in, and congratulations go to Shane Wallwork and Bill Chambers who were awarded the following awards in this rejudging stage which effectively means their images were in the top 6 in their respective categories. Well done to you both.

Scapes SIG – David Richards – Stockton Sand Dunes

Four club members went to the wonderful sand dunes located just north of Newcastle. You feel like you could be in Namibia, or the Sahara Desert. This photo shoot was rated as 'Hard', as we walked in and out to the Stockton sand dunes and to "Tin City". This photoshoot took close to eight weeks to go ahead, due to three weeks of heavy rain, then the closure of Worimi National Park, and finally waiting for an afternoon that was cloud free. But the wait was worth it. We even snagged an impromptu Astro shoot, thanks to Terina checking PhotoPills.

Worth a Look?

I'm sure club members have different ways of informing themselves on photography in its many forms and applications. Whether it is subscribing to magazines, borrowing books or magazines from the library or following people on social media or YouTube. Each month we will include some links to news stories on the internet, competition results and well-known photographer's work. If you have an item of interest, please let us know. - From the F Stoppers website an article by the editor on the corrosive effect of “The Selfie.” *“Photography has always been a mirror of its time, but the digital age has transformed it from a tool of documentation into a weapon of self-delusion. The camera, once used to capture reality, now serves primarily to manufacture it. What we*

photograph, how we photograph it, and why we photograph it reveals a society that has lost touch with authentic experience, commodified human connection, and replaced genuine accomplishment with the performance of success.

The trends that dominate contemporary photography aren't just aesthetic choices—they're symptoms of deeper cultural pathologies that extend far beyond the camera frame. “

Benro QRB95 Quick Rotation Lens Bracket

The Benro QRB95 Quick Rotation Lens Bracket is a universal lens bracket designed to allow quick rotation from horizontal shooting to vertical shooting without changing the centre of frame.

The height of the camera quick release plate is adjustable. It is compatible with different cameras (the distance from lens centre to the bottom is from 36.7mm to 50.7mm). The maximum size lens it will work with is an exterior diameter less than 94mm.

The semi-ring design means there is still access to the camera handle and other controls. It can be used on both Arca style or Manfrotto 501L mount quick release systems. The Kurri Motor Inn

This year we have organised a deal with the Kurri Motor Inn. However, they only have 11 rooms availableso best get in fast. Speak to Parveen and mention the Camera club conference at the Bowling club to receive the very best price.

There are a range of rooms at several price points and Parveen is anxious to impress, so that we will come back next year. This means their prices are keen and the rooms are clean and well appointed.

Located in a quiet little complex just out of town on the main street, a couple of minutes from the Bowling club.

Manager: Parveen Sorathia

Other Accommodation Options

There is a range of accommodation available in the local area. Accommodation in Kurri Kurri itself has limited options, however Maitland, East Maitland, Cessnock and Pokolbin are all a 20 – 25 minute easy drive from Kurri Kurri and there are also quite a few B&B's, farms stays and Airbnb businesses on offer.

In Maitland/Rutherford the Monte Pio, part of the Mercure group, is also a good option.

Frame Today Club Sponsorship

We are pleased to announce that our club has accepted a sponsorship arrangement with Frame Today at Warners Bay. In return for promoting Frame Today at our club events, on our website and in our newsletter, Frame Today will provide:

- one monthly print voucher of up to A3 size.
- an annual ready-made frame to fit an A3 print valued at \$129.
- a 30% discount on printing, backing and mounting services to members of our club when they join the free Frame Today's Art Society.
- Members can apply on the following [link](#).

Each month the print voucher will be awarded by lucky draw to one of the Judges Choice winners for that month, includes all EDI and print competitions.

The annual frame prize will most likely be awarded as part of the prize for the overall Image of the Year (IOTY) winner at the end of the year.

If club members have any specific questions about the services that Frame Today offer, they can have a chat to Peter Treloar and Laurie Connolly.
